### LETTER OF RECOMMENDATION

Dear Sir/Madam,

It is my immense pleasure to recommend Tijana Zec, translator and authorized court interpreter for English language for providing translation services.

We engaged Tijana at the beginning of realization of a project “Designing, building and equipping of the new public health institution – hospital 'Sveti Apostol Luka' Dobož” according to the “turn-key” principle to translate main contract and its modifications, as well as all other documents needed for successful realization of the project, including financial statements, technical documentation, etc.

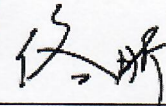

I had a pleasure to realize that she showed great capability in understanding and translating of the material we provided, for she has years of experience of working in the field. In addition, Miss Tijana Zec possesses excellent personal characteristics. She is very trustworthy, hardworking, modest and very suitable for both individual and team work, with pleasant and encouraging attitude.

On the basis of facts stated here, I would warmly recommend Miss Tijana Zec as a high-potential translator for providing services of translation. I am sure that she will justify all chances given to her.

Yours sincerely,

*Authorized person*  
Project Manager
